

FRED CADY DESIGN, INC.

Thank you for your interest in our model car decals. Our goal is to provide you with the decals that you have always wanted for your collection. Our production of decals is limited to only 250 copies of each decal design. We have designed and produced decal sheets for 1/20, 1/24, and 1/25 scale model car kits. Decal designs are created from color photographs and accurately represent each car. We have used magazines, brochures, race track programs and team press kits for reference. Our decals are all handmade using the silk screen process. Your suggestions have been helpful in planning new decal designs.

APPLICATION INSTRUCTIONS: Decals are strong and flexible when applied to plastic and metal model cars. The decals are color separated so that you may apply them color by color for perfect registration. Simply apply the base color first, let dry for ten minutes and apply the next color. There is no need for setting liquid, but it can be used on decals. Please test the setting liquid on the decal before use on the model car. Also, please test all clear top coat paints for compatibility with decals and other paints.

Please allow **THREE WEEKS** for delivery of your order. It will be sent by first class mail in the U.S. All decal sheets are carefully wrapped in polybags for protection. Photo reference sheets are provided with each order for easy placement of decals.

PLEASE NOTE THAT WE DO NOT DESIGN OR PRODUCE ANY SPECIAL REQUESTS FOR CUSTOM DECAL WORK. Possible sources may be found in various model magazines.

WARNING: FLAMMABLE, KEEP AWAY FROM OPEN FLAME. DECALS CONTAIN PRINTERS INK. IF SWALLOWED, CALL A PHYSICIAN IMMEDIATELY. KEEP OUT OF REACH OF SMALL CHILDREN.

Any claim or disagreement against this business must be resolved or processed or litigated within the county of Cook, state of Illinois.

We understand that certain words, model names and designations are the property of the trademark holder. We use them for identification only.

We reserve the right to discontinue items in the catalog without prior notice. We reserve the right to change the design of items without notice.
